Howland Wood Esq,

Dear Sir,

Your letter of the 14th September before me, enquiring after the large leaden piece. I am sorry to have kept you so long for a reply but I have been very busy since opened.

Ere you receive this you will no doubt have received the piece, as I gave it to a young collector just going back to the States and who promised me he would post it in Boston to save Customs inspection &c. The price is 4/- (1$) and it is cheap as it is the first piece I have seen.

I have one or two of the 20 kazarucco pieces of Daman & Diu at 2/- ea. A gentleman brought them home and they include date I have not before seen viz:—

1748, 1765, 1777, 1799, 1800 & 1801.
If you would like any of these drop me a postal as I have only 30 in all.

I have one or two other things which I think might suit you and will let you have a list of them shortly.

I am
Yours faithfully
A. H. Baldwin

Dear Sir,

Thank you for the 50 "two" in settlement for the Transvaal. I have this day shipped per Express Co. a selection of Oriental Coppers as I thought you would doubtless find some to add to your own collection and could perhaps trade the others to good advantage as I have put them in at a moderate price. I have not paid the carriage as often times there is something to pay on your side, if I do but I have put in "miscellaneous" $1.60 which will go some way towards defraying freight

If you could use this entire parcel I would allow 10% disc. say £12.5.0 for the lot and I think you should be able to do very well with them at this figure. I have numbered each lot

in case you wish me to repeat any number. Some I can others I have very few of. In the Portuguese Judaic coins I have put in only one & a date it is rare. These were collected by Dr da Cunha of whom you have doubtless heard.

I have taken the liberty of enclosing a tiny packet for Mr J.C. Mitchelson and I shall be obliged if you can send it to him, insured and let me know cost. of course.

Any thing I can do for you on this side I shall be most pleased to do.

Yours very truly
S. H. Baldwin

With all good luck for the New Year.

Howland Wood Esq,

Dear Sir,

Many thanks for your cheque for £8.0.4 in payment of coins retained from parcel sent you. The box came safely to hand on the 18th ult & quite O.K.

Thank you for pointing out the error in addition, also for forwarding on Reg letter to Mr. Mitchelson of Sanfordville which I am receiving & heard. I am preparing a M.S. list of what oriental pieces I have and will forward it to you when completed.

I am much obliged to you for disposing to your collector friends the coins you did - it certainly tended to make the package lighter, but through putting them in such a large box, I was sweated by the American Express Co to the extent of 3/8.

Yours very truly
